Cultural (Heritage) Sites of the
Krasnodar Krai

Ref. no. 107/2 of 13 February 2011

Dear Natalia Vladimirovna,

The "Archaeological Heritage" Foundation, in accordance with the contract with Peter Gaz LLC on the organisation of research in the area of the projected South Stream gas pipeline on the territory of the resort of Anapa, as well as in territorial waters and the exclusive economic zone of the Russian Federation (the coordinates of the gas pipeline route are appended), is collecting initial information about the presence of heritage sites.

The work will be organised in 2011.

- For the offshore section in the territorial waters and the exclusive economic zone of the Russian Federation with the use of equipment through the Shirshov Institute of Oceanology; and
- For the onshore section (2 km x 500 m) through Naslediye Kubani OJSC.

In order to plan the composition and volume of this work, we request you report the presence of heritage sites in the indicated area and in adjacent territories (5 km from the pipeline's axis).

Enclosures:

1. Coordinates of the corner points of the projected South Stream trunk gas pipeline in the WGS 1984 projection in the examined section. *1 copy.*
2. Satellite image of the route of the projected South Stream trunk gas pipeline in the examined section. *1 copy.*
